# Handwriting Practice - G

Handwriting practice sheet for the letter 'G'. The page is divided into four rows, each containing five dotted uppercase 'G's. Each 'G' is positioned between a solid top blue line and a solid bottom blue line, with a dashed blue midline. The first 'G' in each row is solid black, while the others are dotted. Each 'G' includes numbered arrows indicating stroke order: a red arrow labeled '1' shows a counter-clockwise curve from the top to the middle, and a red arrow labeled '2' shows a horizontal line from left to right across the middle. A vertical red arrow labeled '2' shows the downward stroke from the middle to the bottom. The dotted 'G's are intended for tracing.
